(1) Known value is defined as the portion of U.S. total general imports that could be matched to specific companies.

(2) Cumulative percents are cumulative proportions relative to a particular sector's totals.

(3) Includes missing employment data, nonemployers, and companies that reported annual payroll but did not report any employees on their payroll during specified period(s) in 2018.

(4) Includes manufacturing companies of prepackaged software and books, freight forwarders and other transportation service firms, business services, engineering and management services, gas and oil extraction companies, coal mining companies, communication services companies; and companies for which an industry could not be determined.

Note: This table is compiled using data from import trade information and the Business Register. For information on nonsampling errors and other data limitations, see the explanatory notes.
